Stephen

Gentry and I made some revisions to our letter.

Hope this will work.

Anything you could do to expedite a response would be greatly appreciated.

Peterbilt has chassis on hold.

They will not build the trucks until we have our letter back from the EPA.

Thanks so much.

Kip,

Could you please add a sentence that states who owns the company. I know you told me on the phone, but it would be good to document this. Also you state that this company is not affiliated with any others – as long as this is true.

Thanks
